ProLine Drop & Go

FountainLine's Latest Release of The NEW ProLine DnG is the latest addition in the innovative range of Sports Field Line Markers. The NEW ProLine DnG provides unsurpassed flexibility and adaptability allowing users to completely customise the ProLine DnG to suit individual needs and provide outstanding performance with every use.

The NEW ProLine DnG is Designed and Manufactured in Australia by our specialist manufacturing team drawing on decades of line marking equipment experience combined with the finest craftsmanship.

NEW Stainless Steel Marking Discs with larger diameters for crisp edges and a raised locking mechanism to prevent paint tracking.

NEW heavy duty SurFlo high pressure pump ensures consistent results.

NEW Dual Purpose cradle allows quick swapping from diluted concentrates to ready to use paint in seconds.

Height adjustable handles to cater for operators comfort.

Convenient tool compartment for spare part storage.

FastClean allows instant cleaning and mess free flushing.

RDS Slide rail provides variable line position providing operator choice of comfortable spray head positions.

NEW Spray Head with height adjustment and solenoid valve for instant shut-off, ensuring precise line and dash endings.

FountainLine is so confident of the performance of the ProLine DnG and your satisfaction is supported by a 30 day money back guarantee and a 10 year warranty*.

To discover how the new ProLine DnG will increase your productivity and improve your line marking performance, please contact FountainLine on sales@fountainline.com.au
